**Councilman Michael Julian Bond Holds Recycling Press Conference**

10:00 a.m. Monday, April 18 at city hall

**ATLANTA** – Atlanta City Councilmember Michael Julian Bond and partners of a citywide recycling outreach will hold a 10:00 a.m. press conference Monday, April 18 at Atlanta City Hall to discuss the recycling program partnership and the benefits of recycling.

The press conference is in front of the city council suite on the second floor, 55 Trinity Avenue.

Councilman Bond recently visited area middle schools to encourage students to recycle. He says recycling efforts are increasing and support from the community makes a significant difference.

Recycling programs keep millions of pounds of unwanted items out of landfills by re-using them or transforming them into other usable products. These efforts save countless gallons of water and fuel as well as stop the release of millions of pounds of carbon dioxide into the atmosphere.

For more information, please call Councilman Bond's office at (404) 330-6770.
